Booking.html

A screenshot of a web browser displaying the 'Booking.html' page. The browser's address bar shows the URL 'localhost:5000/predict?'. The webpage has a dark, high-tech aesthetic. At the top, the text 'Predict the Price!' is displayed in a white serif font. Below it, there is a form with several input fields and radio buttons. The form is titled 'Registration Details' and includes fields for '2018', 'Registration Month' (with a dropdown menu showing 'March'), 'Power PS' (with a value of '550'), 'Kilometers Driven' (with a value of '12500'), 'Gear Box Type' (with radio buttons for 'Manual', 'Automatic', and 'Not declared'), 'Is Car Damaged' (with radio buttons for 'Yes', 'No', and 'Not declared'), 'Fuel Type' (with a dropdown menu showing 'diesel'), and 'Brand of the Car'. The background features a sleek, black sports car with glowing purple accents, and a figure in a black, high-tech suit (resembling Iron Man) is sitting on the ground next to the car.
